

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Install the backplate (1) to the wall using the screw (2).
4. Install the shade (4) onto the socket (3). Use the tool (7) to tighten the brace ring (5) and the socket ring (6). The brace ring (5) must be positioned with the opening facing down.
5. Install a proper bulb (not included) into the socket referring to the markings and/or labels on the fixture for maximum wattage.
6. Refer to the additional installation instructions included with the product for wiring and installation.
7. Restore power to the installation point and retain this sheet for future reference.
