# MARS

7614.51-BBR

Sonneman

Inspired by the work of modern design masters, the Mars sconce leans into the geometry of repeating circles. A single continuous piece of clear glass is sculpted with three-dimensional dimples where each circular form is illuminated by its own integrated module. With either 4 or 6 lights, Mars makes for a clean and compelling bath sconce. Available with Modern Brass, Polished Chrome, or Black Brass finishes.
