

VOLT

7623.51-BBR

Sonneman

The slender racetrack-shaped acrylic diffuser of the Volt sconce creates an uninterrupted line of light on the wall. Framed by a metal surround with curved, pill-shaped ends, the consistent illumination throughout the sconce's length adds stability to the design. A circular backplate provides a complementary contrast, finished in Modern Brass, Polished Nickel, or Black Brass. Available in three sizes, Volt suits a range of bath applications.
