VERTEX

7663.39-MB

Sonneman

The sprawling architectural arms of Vertex deliver design-forward directional lighting. Facilitating precise positioning, the slender brass frame is capped with compact cylindrical metal shades with finely knurled adjustment bands. Available as a 1-light wall sconce, 1-light flusl mount, and 3- and 5-light semi-flush mounts, Vertex balances industrial utility with heritage-inspired style.
